4701 Arbutus Street,
Vancouver, BC,
Canada

Introducing Arbutus by Cressey, a new Westside community of 69 luxury strata townhomes, inspired by the space and design of single-family homes. Grouped into 18 two-storey woodframe triplex & quadplex blocks, the traditional design by Formwerks Architectural features gable roofs with sweeping overhangs, masonry chimneys, bay windows with shed roofs, arched entries, and masonry or heavy...
